I've got a case scheduled on 9/26/12 in Attleboro, but besides that, I've got nothing planned.

Subject: [REDACTED] drug case
Hello,

I am the prosecutor handling the [REDACTED] drug case. This case is currently scheduled for trial on 6/13/12, but we will need to continue the case until September because of an unavailable witness. Before getting a date with the court, I wanted to check with you to see what your calendar looks like in September and October. Are there any days that do not work for you for trial during those months? This should be a one-day trial.

Thanks,
Rachael
